

HOW TO ATTACH A LEASH TO THE BOARD

(COIL LEASH/ RIVER LEASH/ SURF LEASH)

AQUA MARINA

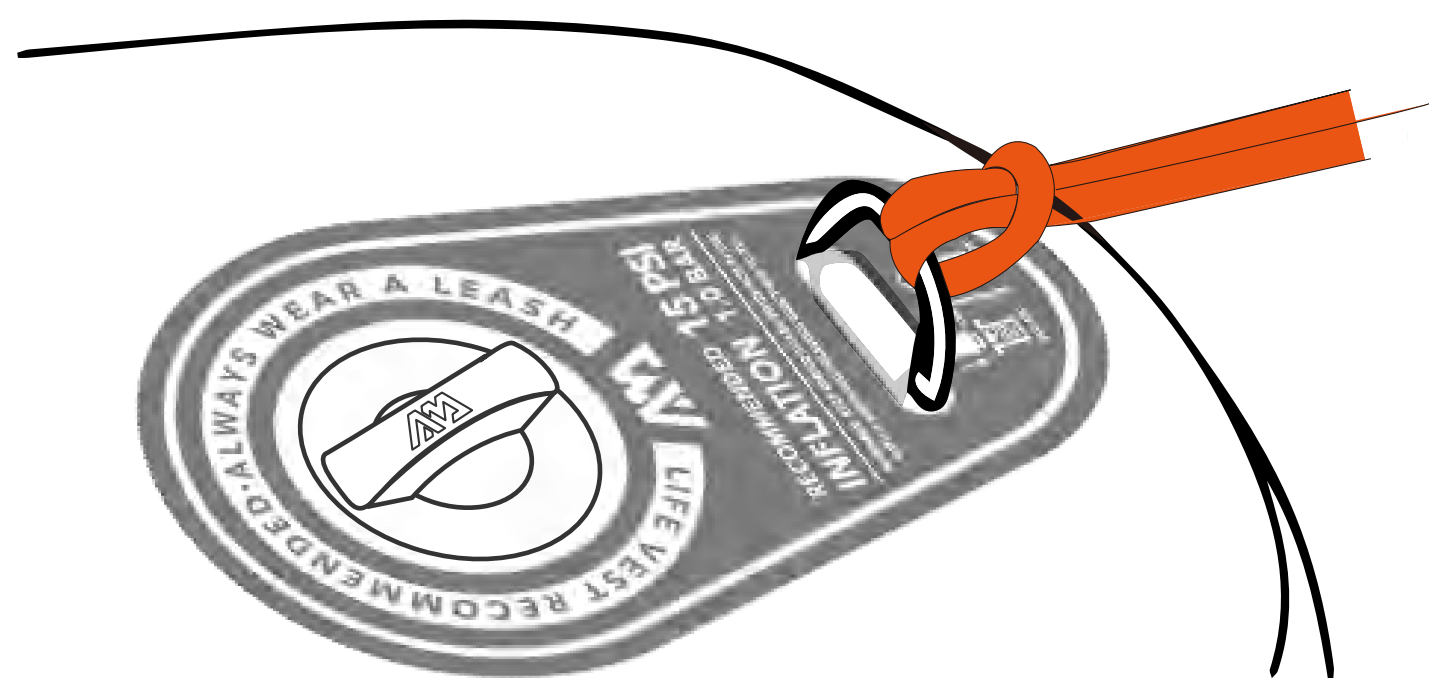

1

Open the Velcro and take out the leash tether.

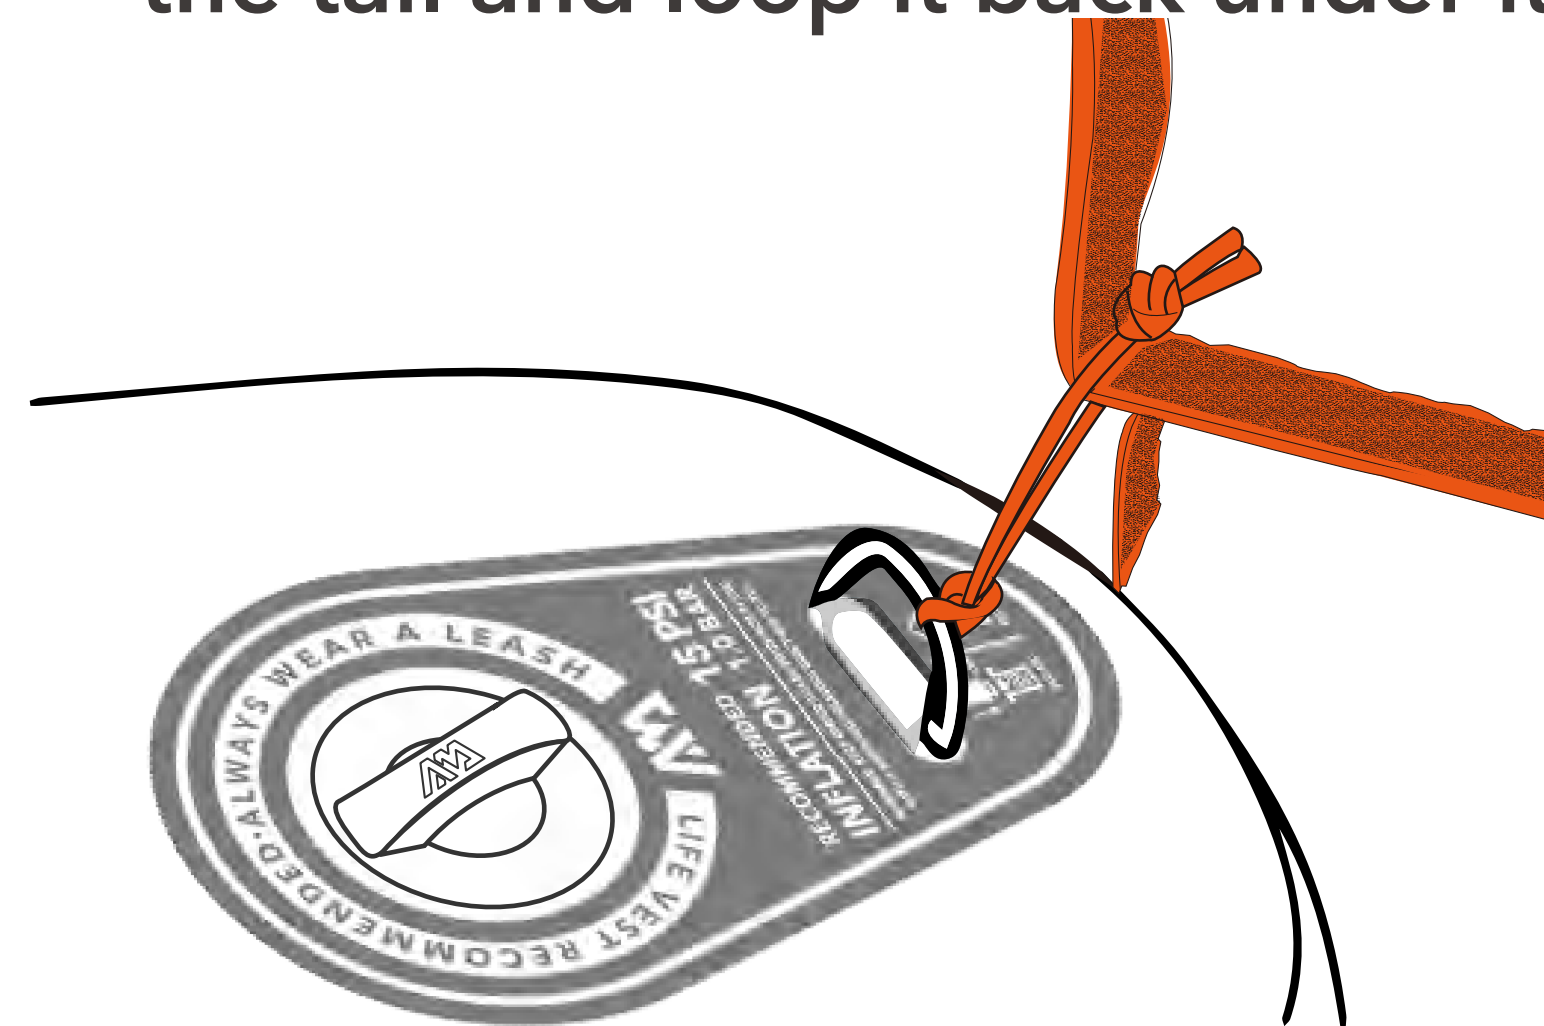

2

Pass the pull tap through the D-ring on the tail and loop it back under itself.

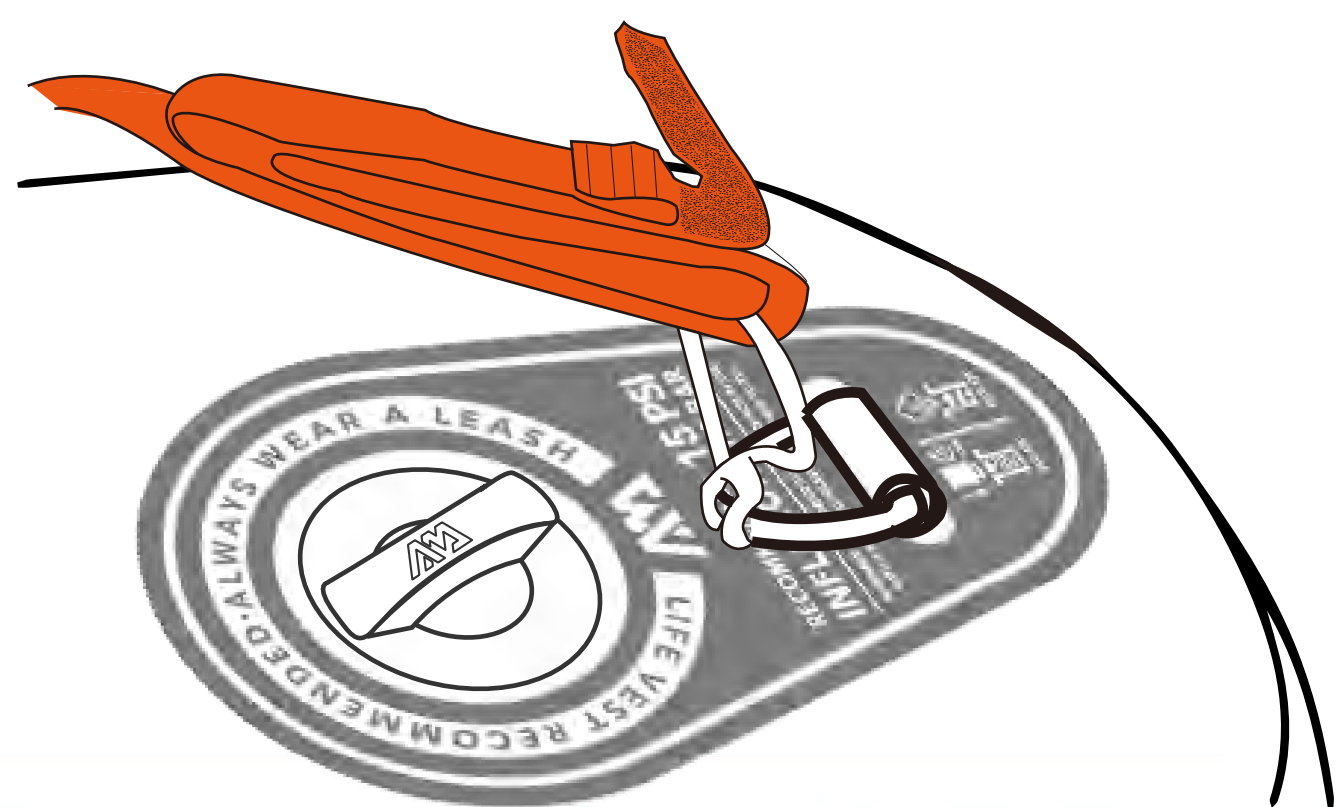

3

Pull the slack out.

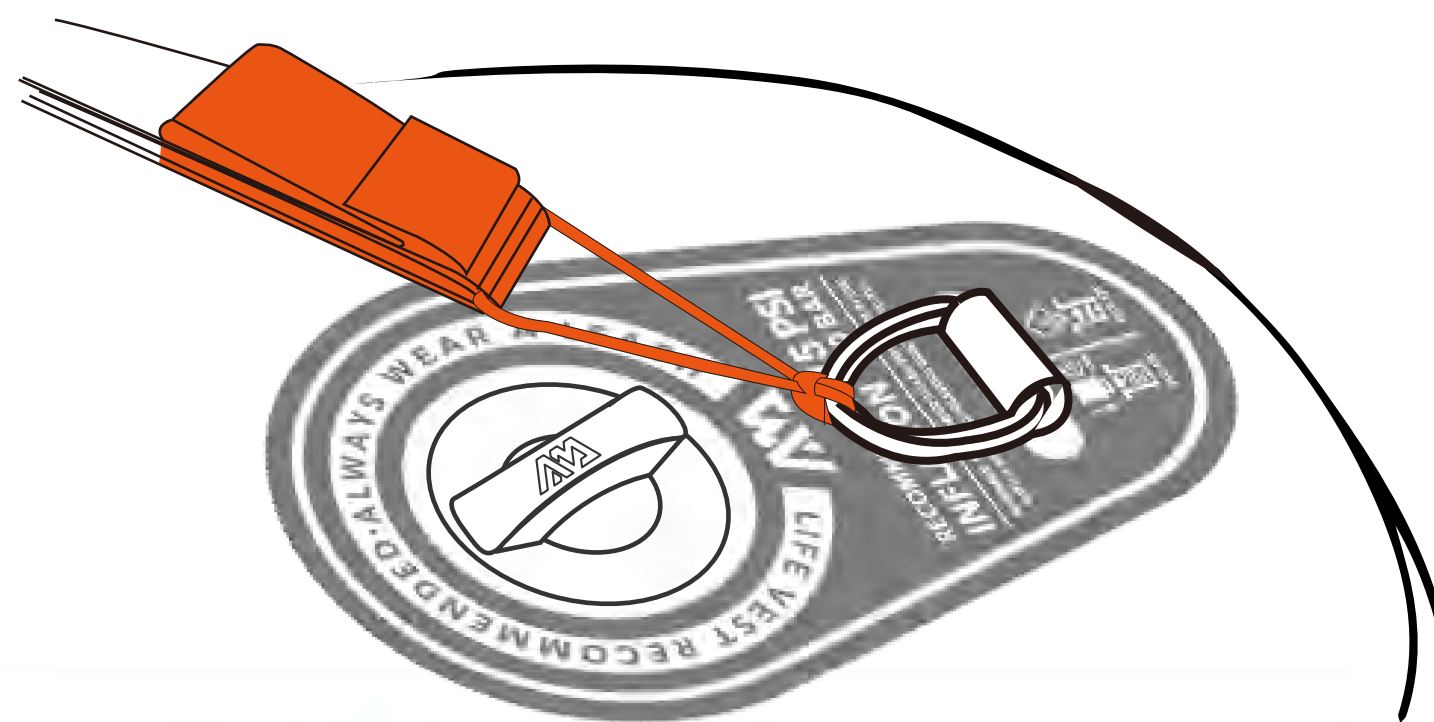

4

Slide the Velcro through the tether and fold it over the knot.

5

Secure the attachment by folding over the Velcro three times.

6

Pull the slack out to secure the attachment.
